**EFFORTLESS OPERATION,
EXTENDED PERFORMANCE**

Click, drop, and let AquaClean® do the work. Powered by a premium rechargeable battery, enjoy up to **150 minutes** of uninterrupted cleaning for pools up to **1600 square feet**. Its rapid charging technology fully recharges the unit in just **2.5 hours**, so your pool stays pristine without delay.

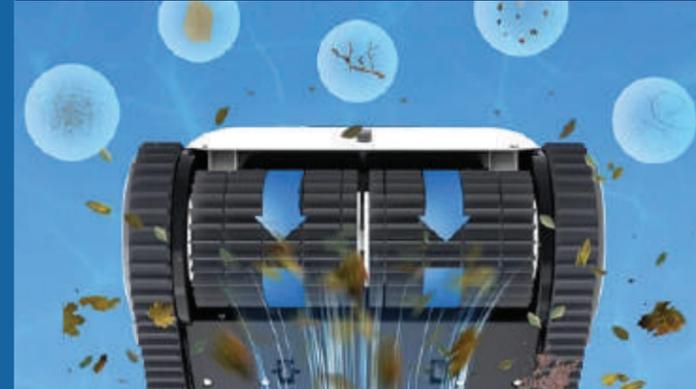

**PRECISION REDEFINED:
INTELLIGENT PATH PLANNING**

Featuring **DuraGrip Technology**, the one-of-a-kind long-lasting rubber on the treads ensures excellent grip on the walls for superior cleaning. With **3 cleaning modes: Floor Only, Wall Only or Full Pool Cleaning**, it adapts to your pool's needs, delivering spotless results every time.

**UNMATCHED
SUCTION POWER**

The AquaClean Cordless Robotic Pool Cleaner, powered by the **TriPower Platform**, delivers unmatched suction strength to tackle sand, leaves, and debris in a single pass. Its advanced system ensures efficient cleaning, saving you time while keeping your pool spotless.

**SUPERIOR
RELIABILITY**

At AquaClean, we stand by our products. With our **1-year warranty** and the exclusive **SafetySeal System**—the only protection of its kind against water intrusion around the battery—your purchase isn't just a transaction, it's a commitment to excellence. Enjoy peace of mind knowing your satisfaction is our guarantee.
